

## Recruitment Opportunity for Advanced / Intermediate EMT Firefighter

Lake Chinook Fire & Rescue is offering a unique opportunity for the position of full time Advanced or Intermediate EMT Firefighter. Lake Chinook Fire & Rescue is a small rural, professional, combination fire district interested in expanding our work force. Live where you play; we are in Central Oregon on Lake Billy Chinook serving a diverse area, that includes tourist and recreation activities, residential neighborhoods, and retirement areas. Our Incident response includes primarily wildfire incidents, vehicle and structural fires, medical emergencies, non-emergency calls, and hazardous materials incidents.

The successful candidates must be able to perform all arduous duties related to firefighting and Emergency Medical Services. Applicants must have experience in structure firefighting, wildland firefighting, ALS patient care. Applicants must be able to drive and operate fire apparatus, medic units and various equipment.

While the primary duties of this position are emergency response in nature, what makes this position a unique are the administrative, leadership, and overall growth opportunities. The successful candidate will have the opportunity to work directly with the Fire Chief and gain an understanding of training needs, delivery, and documentation, as well as supervisory and leadership skills that are needed in emergency and non-emergency settings. The reward will be accelerated responsibilities and promotion opportunities.

LCF&R is a transporting agency performing basic or advanced emergency medical care and rescue. Advanced EMT, EMT Intermediate or Paramedic is required. IFSAC or NFPA Firefighter I, NWCG FFT1 ICT5, NFPA Driver/ Apparatus Operator are also requirements of this position. The salary range for this position is competitive and based on experience (*8% salary adjustment for paramedic*).

Students and/or recent graduates are encouraged to apply but must meet the following minimum requirements. Minimum 18YO, current Oregon Driver's license, must be able to pass background test.

**Required:** NFPA or IFSAC Firefighter, Wildland Firefighter NWCG / or DPSST certificate. Oregon Advanced EMT (or higher) license required. Firefighter 1, NFPA Apparatus Driver / Operator, NFPA Pumper Operator.
